Q. What do you like most about working at GSA FTS?

A. The freedom to be an entrepreneur and to be creative.

Q. What is your biggest accomplishment?

A. I volunteer at Marshall Road Elementary School mentoring young men. It's a great feeling when you can influence a young life and change the course of a young man's future.

Q. What food can't you live without?

A. Anything Italian with Alfredo sauce. I also love seafood (crabs and lobster).

Q. Something no one knew about you until now?

A. I played in the NFL for a year – strong safety for the Oakland Raiders. It was an unforgettable experience. I loved all the travel.

Q. Who do you admire?

A. My father. He managed to raise me, my seven brothers and a sister with no formal education. I am not a quitter – that trait came from my dad.

Q. What is the biggest risk you've ever taken?

A. Has to be bungee jumping. Most people only dream about it and there's a reason for that!
